25-26/03 Minutes of the last meeting

Stephen requested that the wording in the section about the St Mary's parish church VE 80 day event be changed to "A singer of vintage songs".

25-26/04 Ward Councillors Q and A

Cllr Bibb informed the Parish Council that Ward Councillors are making themselves available to do village walkabouts with Parish Councillors to highlight areas of concern. The Parish Council thanked Cllr Bibb for his offer and agreed that it is interested in organising a walkabout as soon as possible.

25-26/05 Clerk's update report

Alan Frankish from ERYC has advised that Vizsec will complete the installation of the CCTV at the Playpark after the Easter holidays.

A quotation was received from Rivermeade historical monument sign makers who are based in York for a new plinth sign for the Market Cross for £1,342+VAT. The Parish Council felt that given the minimal amount of additional information pertaining to recent conservation works it had wanted to add to the plinth sign this cost was not justified and would not therefore go ahead.

ERYC Planning Enforcement have confirmed that they will review the planning history of the grazing field on Eastfield Road which the Parish Council have queried and once reviewed will send a further update to the Clerk.

The Clerk confirmed that she submitted the Expression of Interest form for two new bus shelters on New Road to ERYC on 17th March.

25-26/07 Monthly Accounts

Total expenditure for April of £1,976.08 was approved for payment.

Items of note are:

ERNLLCA annual membership subscription = £725.25

Annual website hosting and support invoice = £161.26

The need for a dedicated mobile phone to receive Parish Council related calls and access messages during the Clerk's working hours was agreed. The Clerk has obtained a quote from Tesco mobile of £69 for a Motorola pay as you go which includes £10 credit. The Clerk will update the Parish Council website, ERYC website etc with the new number.

25-26/08 Correspondence

Play Park CCTV monitoring service

The Clerk informed the Parish Council that the installation of the PCC Community funded CCTV equipment at the Play Park will be completed by Vizsec after Easter and Alan Frankish Senior Engineer for ERYC will confirm when recording has begun. It was agreed that the Parish Council will ask ERYC to set up an initial 12-month CCTV monitoring service agreement level 2 for the Play Park. The service level 2 agreement costs £600 per camera per year, for the three-camera system being installed that equates to £1,800 per year. The service level 2 agreement provided by ERYC will only record the footage from the cameras. ERYC will undertake reviews of the images as requested by the Parish Council. ERYC will maintain the cameras and assume the role of data owner. The Parish Council will not have access to any of the footage but will have to request reviews through the ERYC control room.

Sculpture permission for "A Mischief of Rats"

The Parish Council voted in favour of granting permission for one of these colourful Rat sculptures to be placed near the Market Cross in Brandesburton for 4 months from 1st May to 31st August

2025. The sculpture is around 6ft tall on its plinth to which it is securely bolted. The plinth is made from recycled railway sleepers and measures 1200mm x 1050mm wide x 250mm high. It is hoped that the Rat will bring additional visitors to the village during the summer.

Leven and Brandesburton Horticultural Society Show

The Parish Council agreed to make a donation of £100 to the Leven and Brandesburton Horticultural Society Show this year. The Clerk will write to the Treasurer requesting payment details and expressing the Parish Council's hope that LBHS will consider holding this event in Brandesburton Parish Hall at some point in the future.

25-26/09 Village issues

VE Day 80 Celebration Event Saturday 10th May 1.00pm – 4.00pm

The Clerk has received confirmation that the Parish Council's application for a £400 grant from the ERYC VE VJ Day 80 Community Fund has been approved. Katherine confirmed that 10 stall holders have signed up for the event at the cost of £10 per stall. Each stallholder will also donate a raffle prize. There will also be a fancy dress competition, a wartime film will be shown on a loop and the school choir have been approached about performing on the day. The singer of vintage songs has been booked, and their invoice has been paid. Flyers have been produced, and the invoice has been paid. Katherine, Elizabeth and Victoria volunteered to help set up the Parish Hall for the VE Day 80 event from 11.30am on 10th May.

Potholes

John asked the Clerk to report a pothole on Church Drive which is getting larger. The Clerk requested measurements and a photograph to do so. Stephen advised that the pothole near Hainsworth Park Golf Club which the Parish Council previously logged with ERYC has been filled in, but the finish is not good, looks shoddy and there is concern that the repair will not last long. John also informed the Parish Council that the Yorkshire Water stop tap lid on Starcarr Lane is now a hole. It was agreed that these are the types of issues which can be pointed out on the village walkabout offered earlier with a Ward Councillor.

Aidan reported that Dan from Humberside Police has now received the Community Speed Watch equipment and Aidan will receive training next week on how to use that equipment.

Aidan also advised the Parish Council that following their agreement to become the custodian trustee for the Parish Hall, Amanda the Clerk for the Parish Hall will be sending a letter to the Parish Council to that effect. Chris confirmed that the Parish Hall Solicitors are drawing up the necessary legal agreement documentation.
